SKILLS

●●●●◐ Machine Learning

●●●●◐ Python

●●●●◐ SQL, Firebase

●●●●● Microsoft Office

●●●●◐ Tableau

●●●◐◐ C, C++

●●●●◐ Java

●●●●● HTML, CSS, Bootstrap

●●●●◐ Version Control

COURSES & CERTIFICATIONS

- DataCamp, Data Scientist with Python.
- Coursera (Macquarie University), Excel Skills for Business.
- LinkedIn Learning, Tableau Essential Training.

PERSONAL OBJECTIVE

Team player with strong research skills and proactive problem solver aiming to obtain a Data Science position to expand my knowledge and skills.

EDUCATION

- **AMITY UNIVERSITY**
  B.Tech (Computer Science and Engineering)
  2018 – 2022
  CGPA: 8.07

- **G.D GOENKA PUBLIC SCHOOL**
  12th Grade – 87.35 %
  10th Grade – 9 CGPA

WORK EXPERIENCE

- **DATA SCIENCE AND BUSINESS ANALYTICS (REMOTE INTERN)**
  The Sparks Foundation | April 2020 - May 2020
  Worked with other Data Scientists on a Company Project using Machine Learning Classification Algorithms. – *Offer Letter*

PROJECTS

- International Debt Statistics. (DataCamp Project) (SQL) – *GitHub Pages*
- Predicting Credit Card Approval. (DataCamp Project) (Analysis and Classification) – *GitHub Pages*
- John Snow Ghost Map. (DataCamp Project) (Analysis and Visualization using bokeh and folium library) – *GitHub Pages*

PUBLICATIONS

- Predicting Bridge Damage During Earthquake Using Machine Learning Algorithms. (Published and Presented in the proceedings of Confluence 2021.) – *IEEE Xplore*

ACHIEVEMENTS

- First place at McKesson Corporation and Girls in Tech Virtual Hackathon 2020 with Pink+, comprehensive aid for Breast Cancer patients.
- Finalists in Weavy Collaboration Hack.
